VHEN – Homeschoolers Day at the State house
April 4, 2024

Dear homeschooling parents,

I am back in the swing of things. I am trying to set up a Homeschoolers Day at the State House. Tentatively set for 4/18/2024. If you would like to attend, please fill out this form to register:

<https://forms.gle/EMGhnu9R92PPv4xE8>

It is a Google survey simple and quick. Please give this link to all your homeschooler contacts.

If I had to pick one crucial goal of this event it would be this: I want a picture of **hundreds** of homeschoolers standing on the State House steps. Then, I will have it printed up and given to each and every legislator and give it to the press. I will supply those who register through this form more details as they become available.

This is the picture from the last one in 2009. There were about 300 in this photo. I am hoping we can top that number!
